In the below video, we see just one of countless reports of children being used in the Gang Stalking campaign to harass TIs. This is just one aspect of a more broad stroke in Gang Stalking:

[The original source of this video has been taken down; hence only proving the point of this article.]

One of the basic foundations of Gang Stalking is the ability to use every-day society — (in this case among many) even children — as an impenetrable shield of persecution, psychological torment, and harassment. This leaves the Target completely defenseless; as anyone wise would understand any means of crying out or exposure to the conspiracy would lead to their hoped for and planned demise. Another element behind such harassment is in the effort to continually leave the Target clueless, in the affect of just one of many brainwashing techniques used against the Target. —Confusion and derision leaves the brain open for trauma and brainwashing. This is spiritual truth.

Many times, average people (even children) are either paid large amounts of money to do a simple act, such as randomly yell at the Target, etc. This causes stress and anxiety in the heart to the victim (thus slowly breaking them down). Exploitation, and the trauma of just being aware of such an evil is also a factor. The pawns being used to do the dirty work are also sometimes told false rumors about the Target — e.g. they're suspected pedophiles, etc. — or whatever the case may be.

Gang Stalkers love to use children and accusations of pedophilia because at the core, they themselves are pedophiles; all in the grand scheme of the Satanic Human Sacrifice System. *Therefore you are inexcusable, O man, whoever you are who judge, for in whatever you judge another you condemn yourself; for you who judge practice the same things* (**Romans 2:1** NKJV; please revert to [Romans 1:18-32](#) for full context).

This tactic also goes as far as the police, fire department, FBI, etc. All based on rumors and accusations which have no real credibility. As their

are [Wheat and Tares](#) in every earthly institution, some are of our law enforcement and first-responders are indeed directly in on the targeting; as others who are unaware of the conspiracy are simply used as pawns to do the dirty work — the rabbit hole truly is deep.

We see the source and cause of this tactic reflected in the **Book of Jude**. For those who have ears to hear, let them hear:

“...and their mouth speak great swelling *words*, having men's persons in admiration because of advantage.”

Jude 1:16b (KJVER)

We also see the commonality of such tactics reflected in **Psalm 62:4**, *They only consult to cast him down from his excellency: they delight in lies: they bless with their mouth, but they curse inwardly. Selah* (note how this verse is even marked with a *Selah*!). Also consider the dually noted [Jeremiah 6:14](#) and [8:11](#)! Clearly, this tactic of the is standard for those serving the Serpent.

Meditate on such tactics, and the variety of effective ways it can be used against a Target, to not only "soft kill" the victim, but also in the hopes to harvest one's soul; separating them from God — which of course is the end-game.

The commonality of such a tactic, like children being used to harass the Targets, can easily be found by victims strong enough to cry out on social media.

We also see the scope of such tactics reflected in **Psalm 59**. For those who have ears to hear, let them hear:

“6 They return at evening: they make a noise like a dog, and go round about the city.

7 Behold, they belch out with their mouth: swords are in their lips: for who, say they, does hear?

8 But You, O Lord, shalt laugh at them; You shall have all the heathen in derision.”

Psalm 59:6-7 (KJVER)
